

Natalia Calaretu

Natalia is not 2 years old yet, but she is already suffering from throat and kidney cancer. She was born in Bucharest, Romania, and lives with her family in modest circumstances. Her family needs 42,900 euro for her treatment at the Memorial Hospital in Istanbul. Since February 2022, a total of 13,999 euro has been donated by 865 people and companies.

You can help as well, so that Natalia has a chance of getting better and live a normal life.
